CENTRAL INTELLIGENCE AGENCY

C/Legislation
S/L
File 26 M 14

Director, Office of Legislative Liaison 13 September 1985

NOTE TO: DCI

o Attached report reflects the result of referral of the SSCI Intelligence Authorization Bill to the Armed Services, Governmental Affairs, Foreign Relations and Judiciary Committees.

o Bottom line: the SSCI version was accepted, with an amendment authorizing the Federal Government to obtain access to local criminal justice records when conducting certain eligibility investigations.

o We lost again (Roth's work mostly) on the EP-1; we won on all other issues, including defector citizenship.

o So - a full Senate vote could occur anytime, then the conference session with the House is next.
